## Kentucky 4-H Foundation

VOLUME 6, ISSUE 2 | NOVEMBER 2014

### The New Kentucky 4-H Cloverville

Supporters and VIP's gather on the new Cloverville Stage for a ribbon cutting on August 15.

Nearly 160 4-H supporters and VIP's joined the 4-H Foundation on August 15th for the Grand Opening and Ribbon Cutting for the all new Kentucky 4-H Cloverville at the Kentucky State Fair. The new exhibit is the result of more than a year of design, development, and fundraising efforts by the 4-H Foundation and State 4-H Staff.

"We are extremely honored to present the new Cloverville to the entire 4-H family," said Keith L. Rogers, executive director of the Kentucky 4-H Foundation. "This one of a kind exhibit has been a grand tradition of the Kentucky State Fair and the new Cloverville is a fitting home for future generations of 4-H members."

Nearly 160 guest enjoy breakfast in the new Cloverville during the Grand Opening and ribbon cutting.

Cloverville has been the face of Kentucky 4-H at the State Fair for nearly 40 years. Over the years, the old Cloverville had some facelifts, new paint and small modifications, however the main structure was the original from the 1970's and simply worn-out.

The General Store, sponsored by Kentucky's Touchstone Energy Cooperative's, long-time supporter of Kentucky 4-H and the first major sponsor to commit to the project.

The new 16,800 square foot Cloverville keeps the feel of a small-town setting, but with a clean – classy look. Complete with six stores, stage, park and modern welcome center. The new Cloverville is designed to allow for an increasing number of 4-H member projects. Inside the stores is additional wall space, using grid panels to increase display

## HEAD CLOVER

What is your 4-H Story? Through the fund-raising efforts of the Kentucky 4-H Foundation, youth across the commonwealth are able to add to their "4-H Story" by participating in the many programs and events funded by the foundation. These events allow youth to develop life skills such as decision-making, communications, team-work, and service to others and the community.

Our State 4-H Teen Council is one of the many programs funded by the Kentucky 4-H Foundation through the sponsorship of the Kentucky Farm Bureau and Teen Council members have many 4-H Stories to tell.

*"4-H is my past, present, and future. 4-H had the most positive and prominent influence on my development into who I am today. My future is bright, due to social skills and work ethic I have gained through my experience in the 4-H program. I completely owe my entire being to 4-H."*

*"4-H is an ever-open door; one that's always offering new opportunities to go different places and meet new people. 4-H is a reason to fall*

*in love with places you've never been and people you've never met because of the common ground. 4-H sets an example: only the best of the best. 4-H is passion and commitment, the driving force behind everything I do as well as the goal I'm always striving for. 4-H supplies everything necessary to be a leader and instills a tradition of excellence within each one of its members. I've gained uncountable memories and learned priceless lessons through 4-H and I would never wish one of those moments away. It is everything that has helped me blossom into the person I'm becoming. 4-H is forever."*

*"4-H is an opportunity to learn valuable life lessons, including the importance of responsibility, confidence, leadership, and friendship. It has helped me grow and develop not only as a leader, but also as a person. The skills that I have learned while growing up as a 4-H'er will be the most adequate and essential tools that I will use throughout the rest of my life."*

Kentucky 4-H continues to offer new programs and opportunities for youth that allow for positive youth development and for 4-H Stories to continue to be developed. Individuals can play a role in creating many new 4-H Stories with new and/or renewed financial contributions to the Kentucky 4-H Foundation.

On behalf of our Kentucky 4-H youth, thank you for your support of our program in the past, present and future.

Charlene Jacobs, Assistant Director for 4-H Youth Development

## A MESSAGE FROM THE EXECUTIVE DIRECTOR

The words and photos on the pages of this newsletter help to tell the story of the 4-H Foundation's work this past fiscal year. But, it's the donors listed on these pages that made it all possible. None of this would be possible without you, the supporters that believe in the future of our youth and have a passion for the Clover. You are the reason for our success and for that we extend our deepest gratitude.

Highlights from the year include: For the third year in a row we experienced an increase in donations to the Ag Tag program. By the time you read this, we will have distributed \$84,071.43 to County 4-H Council's to be used to support local programs. We rolled out the new Agriculture Mini-Grant Program for county and club level projects related to agriculture and in doing so awarded \$24,909.85 to 29 projects in 27 counties. For the first time, the Foundation's support to County 4-H Council's exceeded \$200,000, with a total of \$202,287.92 provided for local programming.

Clearly our priority this past year was the new Cloverville, as you can see in this newsletter a major undertaking by any measurement. The Foundation continues to focus on outreach to 4-H alumni and growing the base of support for 4-H. As a part of this outreach, the 2014 Kentucky 4-H Homecoming was great success with new displays of memorabilia, increased attendance and the introduction of the Kentucky 4-H Friends & Alumni network, a new opportunity to show support for 4-H.

The 4-H Foundation is proud to have provided the leadership to change the way we think about private support for 4-H and to forge a new path that will lead to increased opportunities and recognition for our 4-H members. When our end of year solicitation reaches your mail box in a few weeks, don't lay it back and forget it or toss it in the trash. I challenge you to think about what 4-H meant to you, the memories and experiences – to think about what your financial contribution can provide for today's youth.

If you have given in the past, I ask you to make your support an annual commitment, if not, it's a great day to start giving back to an organization that has provided so much to so many. Either way, I ask you to join us to keep the passion for the Clover strong so today's youth will have the opportunity **To Make the Best Better!**

Keith L. Rogers, *Executive Director*

## A Look at the Numbers: Fiscal Year in Review

### SUMMARY STATEMENT OF ACTIVITIES

As of June 30, 2014

#### Revenue and Other Support

Contributions	\$629,731
Sales & Rentals	\$24,593
Registration Fees	\$805,394
Investment Income	\$101,698
Net Realized & Unrealized Gains	\$368,006
Total Revenue	\$1,929,422

#### Expenses

Educational Program Services	\$1,704,333
Management & General	\$244,201
Fundraising	\$15,277
Total Expenses	\$1,963,811

#### Summary of Financial Position

##### Assets

Cash & Cash Equivalents	\$254,649
Short-term Investments	\$480,904
Property & Equipment, Net	\$118,254
Long-term Investments	\$3,378,622
Total Assets	\$4,232,429

##### Net Assets

Unrestricted	\$101,708
Temporarily Restricted	\$1,937,933
Permanently Restricted	\$2,192,788
Total Net Assets	\$4,232,429

Note: This condensed financial statement has been derived from the financial statements that were audited by Ossege Combs & Mann, Ltd, Certified Public Accountants. The auditor's report and the Foundation's IRS 990 tax form are available on our website at [www.kentucky4hfoundation.org](http://www.kentucky4hfoundation.org).

## A MESSAGE FROM THE STATE 4-H PRESIDENT

Hello everyone! My name is Jordan Stone of Lyon County and I am the 2014-2015 Kentucky 4-H State President. My fellow officers are Haley Coppage of Ohio County, State Vice-President, Bre Howell of Lawrence County, State Secretary, and Julia Scott of Hart County, State Treasurer. We have a huge year ahead of us and would like to share our goals with you. We have set four goals as a team such as reaching all 120 counties personally, starting a state level SET (Science, Engineering & Technology) initiative via board or conference, improving our relationship to the State Teen Council members, and improve our focus on middle school programs across the state. We are all very excited for the year ahead of us and hope to retire our jackets next June knowing that we made Kentucky 4-H and the Kentucky 4-H Foundation proud! Jordan Stone, *State President*

The 2014-15 State 4-H Officers (left to right) Jordan Stone, President; Haley Coppage, Vice President; Bre Howell, Secretary; and Julia Scott, Treasurer

The 2014-15 Kentucky 4-H State Teen Council during their first meeting at the Kentucky Leadership Center.

## MY PLEDGE

I pledge my **HEAD** to clearer thinking,

My **HEART** to greater loyalty,

My **HANDS** to larger service,

And my **HEALTH** to better living,

For my club, My community,  
My country, and My world.

4-H State Teen Council and Officers are sponsored by Kentucky Farm Bureau.

## PROJECT SPOTLIGHT

The Kentucky 4-H Foundation welcomed a new donor this summer as Time Warner Cable became the sponsor of the Robotics Challenge held in the new Cloverville during the Kentucky State Fair. Thirty 4-H members participated in the first 4-H &

4-H members build their robot for the 4-H & Time Warner Cable Robotics Challenge.

Time Warner Cable Robotics Challenge, making up nine teams from five counties. These 4-H members participated in four challenges which included Clipmobile, Marshmallow Catapults, Sumobot Competition, and Robot Maze. Time Warner Cable through its Connect a Million Minds program assisted both financially and with more than 20 employee volunteers for the event.

Engaging youth in the 4-H SET (Science, Engineering & Technology) program has become one of the growing focuses of Kentucky 4-H. The Time Warner Cable Connect a Million Minds program is a natural partnership for Kentucky 4-H with like goals. The 4-H SET program encourages

Participants visit the supply table to get the various items needed for the challenge.

youth to build an understanding of basic science concepts; apply the processes of scientific inquiry; build skills in science, engineering and technology; explore related careers; and apply the skills and knowledge they are developing in new challenges.

Three teams display their marshmallow catapults before the competition.

Congratulations to the Carter County 4-H Lego Wizards for winning first place in the overall challenge. The Woodford County Wofobots placed second with third place going to the Jefferson County team "The Few".

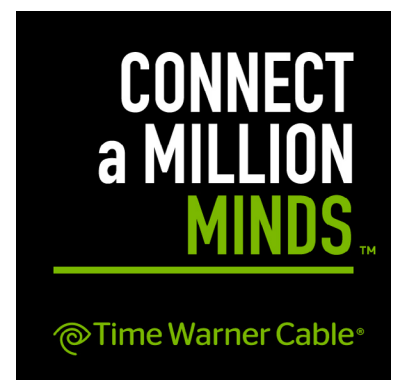

Thanks to Time Warner Cable and its employees for sponsoring the Robotics Challenge and welcome to the Kentucky 4-H family.

Team members watch their robot work its way through the robot maze.

Team members building their marshmallow catapults.

**Time Warner Cable's Connect a Million Minds** is a five-year, \$100 million cash and in-kind philanthropic initiative to address America's declining proficiency in science, technology, engineering and math (STEM), which puts our children at risk of not competing successfully in a global economy.

### OUR MISSION

Lead fund development for the Kentucky 4-H Youth Development Program and advance support by alumni and other stakeholders to ensure 4-H remains a vital center of excellence in the Commonwealth.

## Counties Receive Ag Tag Funds

The 4-H Foundation is pleased to announce the results and distribution of 4-H share of this year's "Ag Tag" donations. For the third year, thanks to Commissioner of Agriculture James Comer, proceeds from the voluntary donations to the Agricultural Program Trust Fund are divided equally among 4-H, FFA, and Kentucky Proud.

Earlier this year, Commissioner Comer along with 4-H and FFA asked farmers across the Commonwealth to step-up and make the "Ag Tag" donation. Farmers have the option to donate \$10.00 when renewing their farm license plates.

The 4-H share for the fiscal year ending June 30, 2014 is \$169,280.21. These funds benefit all levels of Kentucky 4-H, as they are split equally between the county where the funds originated and the Kentucky 4-H Foundation. All 120 counties will receive support from the "Ag Tag" donations, funding local 4-H programs and activities for the youth in the community; while the Foundation's share is used to support state level programs many of our 4-H members participate in, furthering their positive experiences and opportunities.

This is an excellent opportunity for the agriculture community to support Kentucky's youth. The 4-H Foundation thanks Commissioner Comer and all those who donated for supporting 4-H. We congratulate the top 10 counties in total donations for 2014. For a complete listing of county results, please visit our website at [www.kentucky4hfoundation.org](http://www.kentucky4hfoundation.org).

Hardin	\$20,522.00	Muhlenberg	\$14,230.00	Franklin	\$11,850.00
Allen	\$19,870.00	Jefferson	\$14,190.00	Edmonson	\$11,060.00
Logan	\$19,470.00	Bullitt	\$13,740.00		
Fayette	\$14,870.00	Warren	\$13,182.00		

## NATIONAL 4-H WEEK

### It's a Celebration!

Kentucky 4-H and the Foundation celebrated National 4-H Week, October 5 – 11, with activities across the Commonwealth and a visit to Governor Steve Beshear's office for the signing of a proclamation designating 4-H Week in Kentucky. Pictured here (from left to right) Dr. Charlene Jacobs, Keith Rogers, Julia Scott, Bre Howell, Governor Steve Beshear, Haley Coppage, Drew Graham and Jordan Stone.

## 2014 Kentucky 4-H Homecoming

The 4th Annual Kentucky 4-H Homecoming came back to the University of Kentucky's E. S. Good Barn in Lexington this year on Saturday, June 7. 4-H alumni, volunteers, mentors and friends reunited for an evening of reminiscing and to show their support of Kentucky 4-H.

Former 4-H'ers representing all generations were present for a delicious meal provided once again by the Kentucky Cattlemen Association and fellowship. A steady stream of nostalgic (and some embarrassing) photos covered the screen and memorabilia filled every free inch of the Good Barn. A walk through the building quickly gave attendees a glimpse at Kentucky 4-H through the decades as photo albums, projects, awards, record books and more were spread throughout.

Arguably the greatest highlight of the evening was keynote speaker Dr. Carl Hurley. Known as "America's Funniest Professor," Hurley had the crowd doubling over in laughter. A recognizable face among 4-H alumni, Hurley appeared as a banquet speaker at Kentucky 4-H Week in the 1980's.

Above all, the 4th Annual Kentucky 4-H Homecoming was a night of memories shared, laughter, hugs and the important reminder of what exactly 4-H had meant to each and every one of us and a reason to continue supporting the greatest youth development organization in the world.

Reserve the date and make your plans to join your friends at the 5th annual Kentucky 4-H Homecoming on June 6, 2015, details to be release in early 2015.

Joyce Clifford looks over some of the 4-H memorabilia on display.

Carol Goodman Taylor and husband Paul look over memorabilia from the 1970's and 80's.

The State 4-H Officers and State Teen Council joined Homecoming to lead the pledges and introduce themselves.

Former State 4-H Teen Council members Ruth Ann Hendrick, Lois Manley, Joey Whitfield, and Melanie Watson catch-up.

Former state officers Richard Mason and Kelsey Knight enjoyed the evening.

Keynote speaker Dr. Carl Hurley kept the crowd laughing.

For the fourth year, the Kentucky Cattlemen Association provided one of their famous Ribeye steak meals.

Kentucky 4-H Foundation

## Foundation Board News

During the Kentucky State Fair the Foundation elected new officers and welcomed two new Board members.

**The 2014-15 officers are:**

- Chairperson Pam Rowsey Larson
- First Vice Chairperson Melanie W. Kelley
- Second Vice Chairman Mike Bach
- Secretary Gil Cowles
- Treasurer Joey Spalding

**New Board members are:**

*Ruth Ann Hendrick, describes herself as a lifetime 4-H enthusiast with over 37 years in the program. She is a Programmer/Analyst for North American Stainless and lives in Carrollton.*

*Jordan Stone, was elected State 4-H President in June of this year and to the Foundation's Board in August for a two year term as a youth representative. Jordan is from Lyon County.*

In addition, the Board re-elected four members to three year terms; Dr. Jay Hellmann, Pam Rowsey Larson, Joey Spalding, and Melanie W. Kelley.

David Wallace, out-going Chairman remains on the Board and Executive Committee. The Foundation extends a sincere thanks to David for his tireless efforts and dedication to 4-H throughout his life and especially during his three years as Chairman. Under David's leadership the Foundation launched its marketing and public relations initiative, increasing its presence on the web and on social media. David was also instrumental in securing the agreement that led to 4-H

receiving a share of the Ag Tag voluntary donations which to date has provided over \$450,000 to 4-H. In the words of former Head Clover Conrad Feltner, David "You Done Good"; thank you for all you do for Kentucky 4-H.

### FOUNDATION NEWS

## 4-H Foundation Launches Kentucky 4-H Friends & Alumni

Looking for a new way to support 4-H and show your pride for the Clover? The 4-H Foundation has announced a new opportunity to do both for just \$20 per year. It's a way to reconnect and stay in touch with what is happening in Kentucky 4-H.

Kentucky 4-H Friends & Alumni has been formed under the umbrella of the 4-H Foundation. Those who wish to join are ask to give \$20 annually, of which they can designate \$10 to the County 4-H Council of their choice. As a donor to 4-H Friends

& Alumni, individuals will receive a Friends & Alumni window decal, the Foundation's newsletters, email blast on the latest happenings, and invitations to participate in Foundation events such as Homecoming, along with opportunities to volunteer and give back to the program which benefited so many.

Friends & Alumni is open to anyone who has been a 4-H member, volunteer, 4-H parent, donor, staff, or anyone who just loves 4-H. For 4-Hers who recently aged out of 4-H and are in college, you can join Friends & Alumni for free and maintain that status as long as you are in school. It's the place where you can stay connected to 4-H and your friends.

To join go to [www.kentucky4hfoundation.org](http://www.kentucky4hfoundation.org) and click on the Kentucky 4-H Friends & Alumni logo. You can pay by credit card and indicate the County 4-H Council of your choice. So don't wait! JOIN Kentucky 4-H Friends & Alumni today and we will rush you your decal so you can start showing your Clover pride.

*The Kentucky 4-H Foundation is an independent non-profit 501(c)(3) organization dedicated to the financial support of the 4-H program and its members. The Foundation is a partner of the Kentucky Cooperative Extension Service – 4-H Youth Development, University of Kentucky College of Agriculture, Food and Environment. Educational programs of the UK Cooperative Extension Service serve all people regardless of race, color, age, sex, religion, disability, or national origin.*
